Professional Summary

Motivated Information Science undergraduate with strong foundations in programming, database management systems, software development, and problem solving. Experienced in developing academic projects using Python, SQL, MySQL, HTML, CSS, and JavaScript. Seeking software development or IT internship opportunities to apply technical skills and contribute to impactful solutions.

Education

Bachelor of Technology (Information Science) 2023 – 2027

Visvesvaraya Technological University

Relevant Coursework: Data Structures, Algorithms, DBMS, OOP, Computer Networks, Operating Systems

Intermediate 2023

High School Cum Inter College, Nautan

Technical Skills

Programming Languages: Python, Java (Basic)

Database: SQL, MySQL, DBMS

Web Development: HTML, CSS, JavaScript

Data Analysis: Pandas, NumPy, Matplotlib (Learning)

Tools: Git, GitHub, VS Code, MS Office

Core CS: Data Structures & Algorithms, OOP, Operating Systems, Computer Networks

Projects

Student Management System Python, MySQL

- Developed a database-driven application for managing student records.
- Implemented CRUD operations using Python and MySQL.
- Added authentication functionality for secure access.

Data Analysis Project Python, Pandas, SQL

- Performed data cleaning and exploratory data analysis.
- Wrote SQL queries for extracting and analyzing structured datasets.
- Created visualizations for better data interpretation.

Personal Portfolio Website HTML, CSS, JavaScript

- Built a responsive portfolio website to showcase projects and skills.
- Designed layouts and styling using HTML and CSS.
- Added interactive components using JavaScript.

Certifications

- Data Structures & Algorithms – Infosys
- SQL for Data Management
- Market Research – Infosys
- Computational Theory – Infosys
- Web Development – Udemy
- Data Science with Python (Learning)

Achievements

- Completed multiple certifications in programming, databases, and software development.
- Built hands-on projects using Python, SQL, NOSQL, HTML, CSS, and JavaScript.
- Continuously improving software engineering and data analysis skills through self-learning.

Additional Information

Languages: Hindi, English

Location: Bengaluru, Karnataka
